

Installing Rational Test RealTime v8.3.1 iFix01

Rational Test RealTime v8.3.1 iFix01 must be installed on top of Rational Test RealTime v8.3.1.

To install the v8.3.1 iFix01, follow these steps:

1/ Download the installation file from IBM [Fix Central](#)

- IBM_TESTRT_831-iFix01_Install_WIN_64.zip for Windows
- IBM_TESTRT_831-iFix01_Install_LNX_64.zip for Linux

2/ Extract the .zip file to the installation folder:

```
<installation directory>\IBM\TestRealTime
```
